Foreign Sources

Issue 41 for January 1998

Last month we looked at a list of agencies which are not considered a 'foreign source' under FCRA. There are other agencies which have names similar to UN agencies. This sometimes causes confusion. The list provided here includes some names of such organizations. It also includes names of other NGOs / agencies which would be treated as a foreign source under FCRA.

This is merely an illustrative list. There are probably hundreds of other sources which would all be foreign.

Also remember that some of the grants from Indian Agencies such as CAPART, Concern India Foundation, National Foundation for India, CRY- Child Relief & You, IGSSS etc. may be covered under FCRA.

These sources are Foreign
